PLACE: Telephone conversation

PERSONS PRESENT: []

[]

SUBJECT: Airlift supplies

1. AMD stated that they did not have a C-47 available with sufficient time before inspection to airlift SAHARA gear to FJHOPEFUL and requested whether delay until 1 June would be satisfactory. On latter date, AMD would have available a C-124 which would be able to carry SAHARA gear involved plus additional unidentified cargo direct to FJHOPEFUL.

2. In response to the above, [] was informed that the date of 1 June for SAHARA gear was completely satisfactory and requested that C-124 pick up additional 5,000 lbs. at LINCOLN en route also for delivery FJHOPEFUL. [] agreed and would arrange accordingly.

3. Request Chief, Air Operations, take appropriate action pertaining to foregoing. The cargo at LINCOLN is presently in storage at [] under arrangements completed by Security Officer, []
